Master's Fellowship – 1 vacancy

Within the project – Physpath-KS

Project number: EJPRD/0004/2019

Ref. nº: CCMAR/BM/31/2022

The Centre for Marine Sciences (CCMAR) opens one (01) Master's Fellowship (Bolsa de Mestrado) for a person with a Bachelor degree, of any nationality, including stateless candidates, and holders of political refugee statute, in the scientific field of Biomedical Sciences or related areas, within the research project: ***EJPRD19-290/PhysPath-KS – “Understanding the pathophysiology of Keutel syndrome: A path towards cure”*** reference EJPRD/0004/2020 funded by the European Joint Programme on Rare Diseases and by the Foundation for Science and Technology (FCT), and associated projects under the following conditions:

Host and Contracting Institution: CCMAR

This fellowship is intended for R&D activities, by a student with a bachelor degree enrolled in a Master's Degree in the field of biomedical sciences or related areas at the beginning of the fellowship, with a view to consolidating his/her scientific training, through the development of research work leading to the achievement of a Master's degree.

Work Plan, Tasks to perform and objectives:

The PhysPath-KS project is focused on the study of the molecular mechanisms and gene pathways involved in the development of Keutel syndrome, using in vitro and in vivo approaches.

Specifically, the fellowship holder will be involved in the following tasks and objectives:

- **Contribution to maintenance of zebrafish facilities.**
- **Histological and morphological analysis of zebrafish structures.**
- **Molecular biology techniques applied to identification of sites of expression of genes of interest associated to zebrafish development in WT and mutant fish specimens.**
- **Immunolocalization of sites of specific protein accumulation in zebrafish specimens.**

Scientific Supervisor:

Professor Leonor Cancela, Coordinator of the project and researcher at CCMAR.
 Doctor Márcio Simão, researcher at CCMAR and invited assistant professor at UALG.

Work place:

The work will be developed at CCMAR.

Requirements for the application:

Candidates must meet all the following requirements:

1. The candidate must hold a bachelor degree (licenciatura) in Biomedical Sciences or similar with a final evaluation of at least 15/20.
2. The candidate must agree to enrol, if not already enrolled, in a master's degree at the beginning of the fellowship.

Non-compliance justifies exclusion from the procedure.

Evaluation criteria:

Through the analysis of the application documents the evaluation criteria for the applications and their relative weight for ranking are as follows:

- 1. Final evaluation of bachelor degree in Biomedical Sciences or related fields (35%)**
- 2. Previous effective experience in work with zebrafish in laboratory environment (40%)**
- 3. Proved experience in molecular biology techniques (25%)**

The selection committee reserves the right to contact and interview candidates if additional information or clarification of any curricular aspect is necessary. Should an interview be requested, it will be used to evaluate in more detail the curricular items used to grade the candidate under the criteria listed above.

In the eventuality that no applicant has the necessary profile, the selection committee reserves the right to close the call without any recruitment. In the event that the selected person does not take up the position because of failure to comply with documentary requirements or any other reason, or later during the contract if they resign, the jury reserves the right, upon convenience and opportunity, to assign the position to the next applicant in accordance with the ranking positions based on the selectable list that can be used up to 06 months after the date of the present announcement.

Fellowship conditions: The fellowship will have a duration of 06 months, expected to start from November 2022 eventually renewed for periods of 06 months, or until the end of the project, never exceeding a total maximum of 24 months. The fellowship must be carried out under an exclusivity regimen, according to the FCT Fellowship Regulation (RBI) and of the CCMAR fellowship regulations (see [here](#)) based on the Portuguese law 40/2004, of 18 of August (Scientific Research Fellowship holder statutes) amended by the Decree-Law 123/2019 of 28 of August. A maintenance allowance of 875.98€ will be paid monthly, through bank transfer, and will be updated as stipulated by the Foundation for Science and Technology (see [here](#) <https://bit.ly/2ZcxUGJ>).

Application period: from 21th September 2022 to 06th October 2022 at 23:59 (Lisbon time, Portugal).
